FOOD & BEVERAGE

The perfect recipe for your packaging appetite

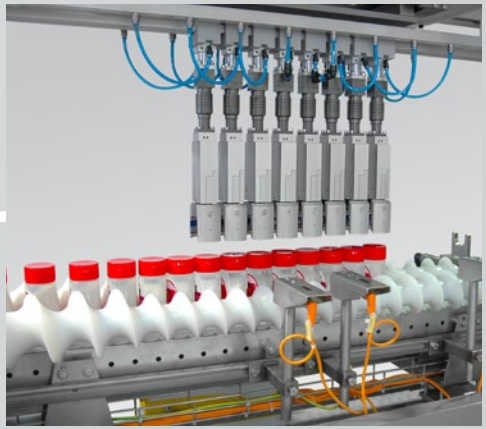
Convenient and sales-promoting packaging of **ready to eat meals** in **wraparound packaging**

High-performance packaging of **(tin) cans** in **shelf-ready display trays**

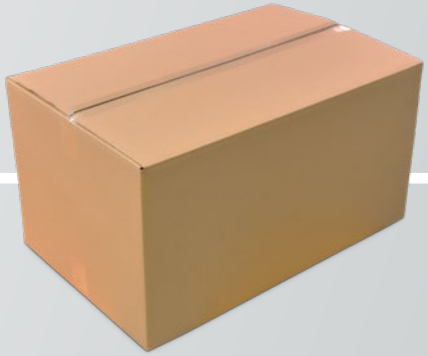
Loading jars of sweets or savouries into low-sided trays for sales presentation

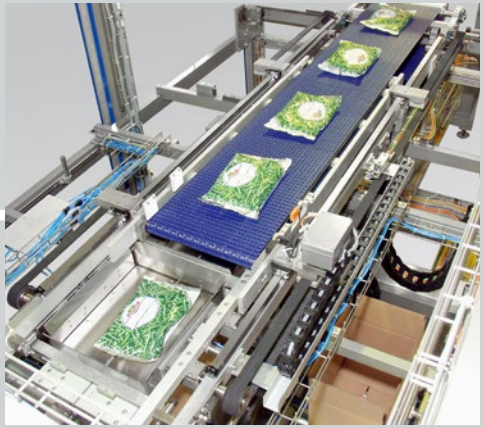
Safe transport of **spreads or salads tubs**, regardless of the type of packaging

Normal **bottles** or upside-down bottles (Tottles) – **flexible packaging** is what we do



Special handling of **frozen goods** in **shipping packaging**





With our wide product range, we do not only have a suitable solution for your packaging task, but we also offer you flexible concepts for smaller outputs or even high-performance systems for your fast-moving items. With us, you are always with the best on the market. Test us!
